

EXTENTION ACTIVITY (2015 TO 2016)

1. An “Electronics Club” is created at P.K.R. Arts College for Women by the Physics Department as an Extension Activity on every Saturday. The students of Mathematics and Physics were benefitted by the various activities conducted by the club. Functioning of electrical/electronic domestic equipments, cell phone and their servicing were given to the students by experts in the field. Nearly 70 students participated and benefitted in the activities.

2. An Extension Activity was Conducted on “HANDLING THE ELECTRICAL APPLIANCES AND USAGE OF SOLAR ENERGY AND GOBAR GAS TECHNOLOGY” at Vemandampalayam village, Gobichettipalayam on 2nd September 2015 by Department of physics. Thirty physics students and Staff members of our department helped the farmers to know about Go bar gas, Conventional energy sources, Energy Conservation, etc. Nearly 39 peoples were participated and benefitted in the program.

3. An Extension Activity was Conducted on “Demonstration of physics experiments” at P.K.R Arts College For Women, Gobichettipalayam on 24th November 2015 by Department of physics for Seventy four 11th standard students of Municipal Girls Higher Secondary School, Muruganpudur, Gobi. The Students

have gained practical knowledge and have got exposure to college physics lab experiments.

4. An Extension Activity was Conducted on “Environmental Awareness Program” at Valliampalayam Village, Gobichettipalayam on 22nd January 2016 by Department of Physics. Our Students(30 in number),enlightened the farmers about Gobar gas, Non-Conventional Energy and Energy Conservation etc,. Neary 20 Villagers participated in this program. The Villagers were very eager in knowing the science behind the working of electronic appliances and gobar gas plant.

5. An Extension Activity was conducted on “Yoga for Health, Peace and Harmony” by department of physics, P.K.R. Arts College For Women, Gobi., in collaboration with Rajiv Gandhi National Institute of Youth Development, Suiperumpudur during 18th and 19th february 2016. Yoga Practice was conducted for students of various colleges to create equitable opportunity for all disadvantageous and marginalized youth and support youth at risk. They also demonstrated the different asanas by qualified trainers. Certificates were also distributed for the participants of this program. Nearly 166 students of nearby colleges participated and benefitted by this program.
